If you remember anything about these missing classmates, please e-mail Sandi Fisher Barnett at [navimomof2@juno.com](mailto:navimomof2@juno.com)

We can use any information to locate them through the internet: brother's names, sisters, parents, aunts, uncles, who they were friends with, who they went to college with, who they were engaged to or married to. If you can provide any detail, we will follow up on it. Sandi has worked hours and hours to locate all but these 58 classmates and would like to locate these as well.

We all want to thank Sandi Fisher Barnett for the time and effort she has put into this project!!! She has located most of the 450 classmates that have been found!
